### DESCRIPTION

Due to design changes to the products listed above CETAC Technologies has implemented a new two piece shield and splash guard.

### IMPLEMENTATION

The design improvement is implemented on all serial numbers greater than 010801XXXXX for the products listed above and can be purchased as an upgrade for existing ASX-520, ASX-520HS, EXR-8 and SDS-550 systems. The new shield and splash guard kits will be available after January 3, 2008. The replacement documentation will be provided with the kit.

### PARTS

Part Number	Description
SP6377	Retro fit kit, ASX-520 splash guard & 2 piece shield w/carriage cable
